- Snackworthy® Brand or Private Label options.

WHY POPCORN

- American consumers eat around 14 billion quarts of freshly popped popcorn per year.
- Top four popcorn flavors are Butter, White Cheddar, Caramel, and Kettle Corn.
- The United States Popcorn Market is growing at a rate of 5% a year.
- Demand for popcorn in the US is projected to grow from USD 3.38 billion in 2025 to USD 7.52 billion by 2035, registering 7.3% CAGR. The ready-to-eat popcorn segment is projected to account for 71.20% of popcorn demand in 2026.
